**REQUEST OF COUNCIL (28 USC 1915(E)(1)) AND REQUEST FOR
ADDITIONAL TIME**

I am requesting/asking/praying for the courts to appoint me council (28 USC 1915). I have exhausted all reasonable means to find council. However, I financially can not afford council.

I have recently discovered that I have this option for the courts to appoint council (a lawyer) for civil plaintiff's cases (28 USC 1915(e)(1))). Before, I was lead to believe that I could only receive financial help in the fees of filing my original complaint and the serving the paper work to the defendants. I had no knowledge that the courts could assign council to civil plaintiff cases. This is a new discovery for me being pro se.

I have already filled out the courts form to receive assistance in covering the filing charges. Please let me know if you need additional information from me. Since I qualified for 28 USC 1915 in this section; I would have to pray that I would qualify for the courts qualifications of being appointed a lawyer. I am financially not capable to afford a lawyer and this case would be in dire jeopardy without a lawyer.

I would also request additional time to let my new council/lawyer amend my complaints. A new lawyer would also need time to get familiar with the case and properly present my complaint.

I would like to thank the courts for their time. Again, I am requesting the courts to assign council/a lawyer to my case. I can not financially afford a lawyer and my cases need council/a lawyer. Since I qualified for the filing assistance; I would pray that I would qualify for the council/lawyer assistance.

I would also ask the courts for additional time to file my amendment and let the new lawyer get familiar with my case.

Again, thank you.

Sincerely,

William Boyd
